AREA OF MANITOBA

Manitoba has an area of 245,512 square miles. From north to south the Province extends 761 miles, reaching from the 49th degree of latitude northward to the 60th. Its width at the southern end is 278 miles; at the widest point it measures 493 miles east and west; at the north boundary it is 260 miles wide. On the south Manitoba is bounded by the United States, on the west by the Province of Saskatchewan, north by the North-West Territories, north-east by Hudson Bay, and on the east by Ontario.

Subdivision of Area
